Aspire: IELTS Advanced Program

Achieve your IELTS goal
Achieving the right IELTS score is a critical step on your journey towards permanent residency or professional accreditation in Australia. But all too often, sitting multiple tests without raising your score can make this a long, frustrating and expensive process.

With Aspire: IELTS Advanced you can achieve your IELTS goal sooner

This five-week program is designed to give you the essential test-taking knowledge and strategies needed to accelerate your progress towards your target score.

Get the strategies and skills to maximise your IELTS score for professional or immigration purposes.

By the end of the program you will approach your next IELTS test with greater confidence as you will have:

- a deeper understanding of the test
- optimised approaches to different question types
- strategies that maximise your score for each question.

The Monash Professional Pathways difference

This program will help you break the cycle of taking multiple tests without improving your IELTS score. You will:

- receive individual feedback to help target your areas for improvement
- increase your knowledge of the test including its structure and question types
- gain strategies to maximise your score for each question type
- learn time management techniques so you make the most of your time during the test
- receive all resources including access to high-quality online resources
- sit practice tests so you know if you’re ready before paying for another test.

Convenience and flexibility so you can reach your goals sooner:

- Study only what you need to achieve your goals. Simply complete any of the three Aspire: IELTS Advanced programs to maximise your score. Choose between:
  - Reading and Writing: General
  - Reading and Writing: Academic
  - Speaking and Listening
- To help you achieve your goal faster two Aspire: IELTS Advanced courses can be taken simultaneously giving you a complete approach to improving your IELTS score and a discounted course fee.
- Plus you can repeat the course multiple times throughout the year without repeating content.

Program types and content

Reading and Writing: General
Duration: 5 weeks, with 1 x 4 hour session every week

Reading
Gain a comprehensive understanding of IELTS reading test tasks and how different tasks may be addressed in different ways. Each week a different task type is addressed and practiced.

Writing
Learn how to tackle IELTS General writing tasks. You will build vocabulary, understand the structure of different question types, patterns and conventions of English discursive writing. Plus, each week you will also have the opportunity to apply your learning in timed practice test and receive feedback on your results.

Reading and Writing: Academic
Duration: 5 weeks, with 1 x 4 hour session every week

Reading
Gain a comprehensive understanding of IELTS reading test tasks and how different tasks may be addressed in different ways. Each week a different task type is addressed and practiced.

Writing
Learn how to tackle IELTS Academic writing tasks. You will build vocabulary, understand the structure of different question types, patterns and conventions of English discursive writing. Plus, each week you will also have the opportunity to apply your learning in timed practice test and receive feedback on your results.

Speaking and Listening:
Duration: 5 weeks, with 1 x 4 hour session every week

Speaking
Practice timed speaking and interview activities to improve your fluency and build confidence. You will receive personal and group feedback to help you focus on areas for improvement.

Listening
Learn strategies to tackle IELTS listening tasks with a different task type practiced each week.
The Aspire: IELTS Advanced program was designed by Monash College and is delivered by highly qualified English language instructors who are experts in the test. They will provide you with guidance and feedback specific to your needs and objectives so you can maximise your score.

Why choose Monash Professional Pathways?

- A provider you can trust: Monash Professional Pathways is a division of Monash College Pty Ltd, a private company owned by Monash University.

- Great facilities: Monash Professional Pathways has a spacious, modern campus in central Melbourne and we provide free access to the materials and facilities you need, from printing and WiFi to tea and coffee.
- A course designed by experts: This program was designed by Monash University’s English Language Centre, one of the largest and most dynamic English language teaching and testing centres in Australia.

Eligibility Criteria

Who should take Aspire: IELTS Advanced?

- This course is designed for anyone who needs an IELTS score of 7 or higher.
- You must have achieved an overall IELTS score of 6.5.
- Student visa holders cannot be admitted to the Aspire: IELTS Advanced program. All other visa holders may apply.

Expert Guidance

The Aspire: IELTS Advanced program was designed by Monash College and is delivered by highly qualified English language instructors who are experts in the test. They will provide you with guidance and feedback specific to your needs and objectives so you can maximise your score.

Lyndsey Singer
Lyndsey is a highly experienced teacher having taught English, including IELTS test preparation, in England, Japan and New Zealand.

Lana Kanevsky
Lana holds a Masters of Education (TESOL) and has taught English for over 20 years to students of all ages and ability levels in Australia, Asia and the Middle East. She combines this extensive teaching background with 9 years direct experience with IELTS to help her students achieve their goals.

“IELTS is all about understanding what the questions involve and answering in the most effective way. This IELTS course will address the tricky questions in IELTS and give you the techniques you need to best master your answers.”

“Even students who consider themselves prepared for IELTS find the course useful. As we go over various parts of the test with their particular focus and requirements, students always identify the areas of their language development that need further attention.”
